

EDA Expertise in Signal, Power Integrity & Simulation

**SPISim Product Order Form (Aug/2019)**

**P1/3**

**Pre-packaged suites:**

Features\License Type	Channel	Analysis	Modeling
NPro: Post-layout net extraction	-	-	-
CPro: Schematic channel builder	X	-	-
XPro: What-If and De-Cap optimizer	X	-	-
SSolver: Integrated Spice simulator	X	-	-
VPro: Waveform Viewer	*	X	-
SPro: S-Parameter Analysis	*	X	-
DPro: DDR Waveform Analysis	-	-	-
TPro: Transmission Line Analysis	*	-	-
MPro: DOE/RSM/ANN Modeling	*	-	X
BPro: IBIS Modeling/Analysis	*	-	X
AMI: Spec-based AMI modeling	*	-	X

\*: Partially included.

**Module add-ons:** Modules (N,C,V,D,T,S,M,AMI,X,BPro,SSolver) may be activated individually, check with support@spisim.com for details.

**License Info:** Pricing listed below are for node locked for single user used on single OS on single machine. Multipliers for different options are listed based on this price.

**License Move:** One free license move (different MAC address and OS) is granted for annual and perpetual license within maintenance period per year. Old license will be disabled after move. The second and subsequent license move request will be charged at \$500.00 per move.

**License Type:** Please see next page for various license length.

**Maintenance:** Annual and perpetual license both come with one year maintenance and update. Tool will stop updating after maintenance period ends. License can only be used to install and run on tool built before maintenance expiration date. Renewal must be made before maintenance expiration.

**Technical Support:** Technical support is included. On site trainings may be arranged.

**Free Trial:** We offer 15 days free trial on all products, no money back.

EDA Expertise in Signal, Power Integrity & Simulation

**SPISim Product Order Form (Aug/2019)**

**P2/3**

**Annual:**

Item #	License Description	Price (US)
SPICSA1-UL	Channel Suite <b>1-year node and user locked</b> license	\$9,000.00
• SA1CXPRO-UL	CPro, XPro modules and AMI/Channel simulator	\$6,000.00
• SA1SSVR-UL	SSolver spice simulator	\$3,000.00
SPICSA1-FL	Channel Suite <b>1-year floating</b> license	SPICSA1-UL x 1.5
SPIASA1-UL	Analysis Suite <b>1-year node and user locked</b> license	\$5,000.00
• SA1VPRO-UL	VPro module	\$2,000.00
• SA1SPRO-UL	SPro module	\$3,000.00
SPIASA1-FL	Analysis Suite <b>1-year floating</b> license	SPIASA1-UL x 1.5
SPIMSA1-UL	Modeling Suite <b>1-year node and user locked</b> license	\$20,000.00
• SA1MPRO-UL	MPro module	\$2,000.00
• SA1BPRO-UL	BPro module	\$8,000.00
• SA1AMI-UL	AMI module	\$10,000.00
SPIMSA1-FL	Modeling Suite <b>1-year floating</b> license	SPIMSA1-UL x 1.5

**Perpetual:**

Item #	License Description	Price (US)	Quantity	Total
SPISim Analysis Suite License				
SPIASP1-UL	Analysis Suite <b>perpetual node and user locked</b> license	\$10,000.00		
SPIASP1-FL	Analysis Suite <b>perpetual floating</b> license	x 1.5		

Note: Perpetual license is only available for Analysis Suite

Note: Full Suite is not for sale at this moment. NPro, TPro and DPro are available by special requests.

---

**SPISim Product Order Form (Aug/2019)**

**P3/3**

**Maintenance:** Annual maintenance (including software update and technical support) is 25% of the product listing price.

**Licensing options:** **Node locked + user locked license:** OS name, MAC address and user's login name will all be used for licensing verification. This is default license type.  
**Node locked only license:** OS name and MAC address will be used for license verification. Lock file will be used to make sure only single instance of SPIPro is running, regardless user. This license type is available by request.  
**Floating license** is 1.5X of base charge. License server program is included.

**Group discounts:** Group discounts is available for license purchase of 5 items or more.

**Sales Tax:**

US Washington state buyer is subject to state and city tax unless exemption permit is presented. Other US states depends on the tax requirements of that state.

**Ordering process:**

Please order by E-Mail: Send completed order form (both pages) to: **sales@spisim.com**

**Invoice w/ Activation codes/License files** will be delivered electronically once payment is cleared.
